

Maintenance Supervisor

The Pickaway County Maintenance Department is currently accepting applications for a Maintenance Supervisor. This full-time position pays \$23.00 per hour plus benefits. Applicants must be a United States citizen or have legally declared their intentions of becoming one. Applicants must be at least 21 years old, have a high school diploma or GED and a valid driver's license.

Applicants must have proven experience as a maintenance worker or other similar position, experience working with tools, including hand and electrical tools, diagnosing basic electrical and plumbing issues and correcting them, have strong organizational and follow up skills, professional attitude, ability to maintain focus and work individually, have strong time management skills, an eye for detail, and experience supervising maintenance personnel. Computer experience and project management; familiarity with quotes, building plans, cost estimates, and construction methods are also required.

An employment application and complete job description is available at www.pickaway.org or the Pickaway County Commissioner's Office. Applications will be accepted until the position is filled. Please submit a completed application and resume to Marc Rogols, Deputy County Administrator, 139 West Franklin Street, Circleville, Ohio 43113.
