Mr. Hawkins expressed to Mrs. Betz that they were not looking to go to the ballot to place the levy on until 2021. In the Matter of Meeder/ United American Capital Corporation Quarterly Update:

Ellery Elick, County Treasurer opened the meeting of the Investment Advisory Committee for the purpose of quarterly review, and turned the meeting over to Jim McCourt, UACC/ MIMC. Mr. McCourt provided a report with a new layout of the county’s investments for the second quarter. There is a difference in what the FED is projecting and what the market is currently implying. Need to be investing in longer term to hold our investment and protect it. Mr. McCourt feels that the US economy is still relatively strong. The labor market in the area has been pretty strong and the wage growth has taken off. Trade is putting on a lot of pressure and all the indicators are showing towards lower rates. The global bond yields and the US yields continue to be higher than the rest of the developed economies. The County’s portfolio value is up to $33,635,323 as of June 30, 2019 with a weighted average maturity at 1.73 years with a weighted average yield of 2.18%. The asset allocation is 62% US Government Agencies, 14% Certificates of Deposit, 10% in Commercial Paper, 5% in US Treasuries and 8% in Negotiable CDs.

Mr. Elick informed the Commissioners that the Committee has not recently invested any new monies. Regulation D regulates that only six draws are allowed out of that specific account per month. Mr. Elick will have to keep more monies liquidable since he will only be allowed with 6 draws per months, he uses that account to make transfers for check runs from the Auditors office. His only option is to keep more money in the checking account for the purpose of transfers for check runs and payroll transfers. The money market will not have as much activity, however, Mr. McCourt suggested using the Star Account to make transfers for cash needs. Commissioner Wippel requested Mr. Elick keep them informed so that a decision can be made before October. Mr. Elick has some CDs that come up in September and may look at closing them and placing in the Star account. The Commissioners thanked Mr. Elick and Mr. McCourt for the update and look forward to seeing what the next quarter has to bring.
