In the Matter of Park District Land Purchase Grant:

Tom Davis, Park District Director and Randy Metzger met with the Commissioners to discuss the 2018 Clean Ohio Green Space Conservation Grant and the purchase of land owned by Mr. Metzger located in Deer Creek Township. Mr. Metzger had reached out to Mr. Davis with his intent to conserve the land, as it has potential to tie into the bike path and the Metzger Family would like to preserve this for everyone and
the community. The property would provide a beautiful addition to Ballard Park for the public to visit with easy access from the park. Mr. Davis met with Williamsport counsel to discuss access and the parking area for the property that would be through Ballard Park. The Park District would have to apply for an easement to allow the trails to go through the woods and keep it away from the surrounding homes. Mr. Metzger thinks it fits the view of what we all would like to see for our community.

Commissioner Brian Stewart offered the motion, second by Commissioner Harold Henson to adopt the following Resolution:

Resolution No. 082118-2

To support the Pickaway County Park District’s 2018 Clean Ohio Green Space Conservation Grant application for the purchase of approximately 52 acres in Deer Creek Township, adjacent to Williamsport’s Ballard Park.
