This would allow Mrs. Furniss to be able to partner with the City of Circleville and sixteen organizations. Mrs. Furniss stated that they are seeing a 23% increase in rentals within the county. There is a software called Rental Scape that tracks to pull data to see when short term rentals are utilized. The city of Circleville is willing to look at a countywide lodging tax. Through research Mrs. Furniss stated that Ross County does not have enough lodging and the rates are higher than Pickaway County. There are currently 12 short-term rentals within Tarlton that are in Pickaway County. With a lodging tax, the Visitors Bureau would receive 3% of the tax, which could be used for marketing. The remaining 3% could be negotiated as to what fund it would go to. The County Auditor would be responsible for collecting the lodging tax. A
