In the Matter of
Meeting in Executive Session:

Joe Patchen, of Carlile, Patchen, and Murphy, LLP paid a visit to the commissioners to discuss matters relating to the Pickaway County Fairgrounds Revitalization Plan.

In the Matter of
County Administrator Report:

The following is a summary of the report and other topics discussed with Brad Lutz, County Administrator:

- Representatives from ms consultants, inc. and Quandel Construction are scheduled to meet with the commissioners next Tuesday to review the Pickaway County Fairgrounds Revitalization Plan renderings for the building designs and floor plans of the livestock buildings for display and public viewing throughout the week of the county fair.
- 2018 General Fund budget requests will be going out soon to all departments to submit in preparing for the Tax Budget that is to be filed with the county auditor by July 15th. Mr. Lutz noted that as a test, a few departments (e.g. the PCSO; county engineering department; juvenile/probate department; JFS) will be using the new automated system the county auditor’s office has put into place and work out any bugs prior to rolling the automated system out to all departments for the 2018 budget.
An email was received from the county engineer requesting approximately $19,200 for capital items that includes the purchase of 2 copiers and a fuel management system. The suggestion of the engineering department purchasing the items from its funds and receive reimbursement in 6 months from the 2018 capital fund will be made. An email was also received from the PCSO about the status of its request for the replacement of its telephone system as the email noted that a few phones were recently affected by lightning; however, the system remains functional. In discussing the matter, the commissioners support the purchases and it was determined and the requested capital items will be included in the county’s 2018 capital plan and the purchases can be made in January 2018.

In June 2016, Kristen May, a resident and a teacher at Teays Valley Local School District, who is active and interested in cultural arts, met with the commissioners regarding a proposal she created for a Pickaway County Cultural Arts Center in what she referred to as the annex area and gymnasium, owned by the City of Circleville on South Court Street that is connected to the former Evert’s Middle School. The City of Circleville purchased the Everts Middle School campus from the Circleville City School System in the amount of $19.58, which in turn sold the school building to the WODA Group, Inc. that will be developing senior housing units. Mr. Lutz reported that Mrs. May, along with Sue Lumley, President of the Circleville Downtown Business Association, and Dorothy Cooper, an active citizen of the community, visited with him last week and in summary, it was explained to Mr. Lutz that due to financial restraints, the city is not interested in continuing to own the annex and gymnasium as it cannot afford the insurance, utility costs, etc. He stated that Mrs. May inquired about the county acquiring the annex and gymnasium from the city and be the owner for the center which would ultimately be operated by ArtsAround, a non-profit organization committed to supporting local arts. She informed Mr. Lutz that grants totaling $450,000 from the Ohio Development Services Agency (ODSA) have been secured, and the city was awarded a $200,000 grant from the State Biennial Capital Budget to be used for renovations for a community cultural arts center. Essentially, Mr. Lutz stated that the concept of the county acquiring and be the owner of the annex and gymnasium and serve as the conduit for the grant funding was proposed. In discussing the matter at length, it was determined Mr. Lutz will obtain additional information, thoroughly vet the proposal, and bring the information back to the commissioners in the near future.

The next elected official’s luncheon is scheduled for July 11th.

Mr. Lutz will be on vacation from June 28th, through July 7th.

In the Matter of Meeting in Executive Session:

At 2:41 p.m., Commissioner Stewart offered the motion, seconded by Commissioner Wippel, to enter into Executive Session pursuant to ORC §121.22 (G) (1) to discussion the compensation of Pickaway County employees. The county administrator was in attendance.
