In the Matter of County Administrator Report:

The following is a summary of the report provided by April Dengler, County Administrator:

- The CRC Building will need some electrical work completed. OhioMeansJobs offices has outlets on one circuit and will need to be split to a separate circuit from the printers.
- The State Auditor called last Thursday to informed that the basement at the Engineer's Office had water from a pipe that had burst. The ductwork was left open and the pipes froze. Maintenance did clean up and no documents were damaged.
- Cathy Leatherwood was impressed by the progress of the fairgrounds project and said to keep up the good work. Mrs. Leatherwood called into the Commissioners Office to say that it was the first time she had passed the Fairgrounds site and was shocked in the transformation.
