In the Matter of
Board of Elections:

Dave Winner, Board of Elections, met with the Commissioners to address the secure mailbox that was placed on the outside of the annex for paper ballot night depository per the directive of the Secretary of State. The temporary box received 8000 votes cast by depository. Mr. Winner suggested installing a permanent depository slot where the deposited ballots would go straight into a secure location, such as the BOE Office. The box would require a two-person key entry. There is thought that they could be in receipt of 30,000 votes cast in the upcoming general election. Mr. Winner stated that BOE has approximately $1,300 left in funds that the SOS wants used on security for the office and a permanent secure depository drop box would qualify. The Commissioners will consider permanent depository to be placed in the concrete wall and quotes will be gathered.

Mr. Winner requested to continue to keep voting machines in the old Park District Office. The Commissioners addressed that the equipment was supposed to have already been moved from the Park District Office since BOE now has the old Driver Testing Bureau Office. The Commissioners directed again that all BOE equipment be relocated to the Driver Testing Bureau Office and the Park District Office be vacated. The renovations for opening the space between the BOE and the old Driver Testing Bureau Office was scheduled to start after the primary election. The Contractor will be contacted to start the process.

In the Matter of
Job and Family Services Update:

Joy Ewing, Job and Family Services Director, met with the Commissioners to provide an update of JFS Services. Up to 75% of JFS staff has been working from home during the pandemic and Mrs. Ewing is looking into the possibility of long-term tele-working for staff. Home visit are a little different, staff use PPE to wear if they are required to report to perfume a home visit. Both the OhioMeans Jobs and JFS lobbies have been closed to the public and the projected date to open to the public is unknown at this time. There may not be many people that visit the office since it is all done by phone. Appointments can be made, and computers will be limited to 5-6 people at a time and limited to an hour of use. Mr. Ewing is working on having Wi-Fi availability from the parking lot for those that do not need to come into the building but need internet service to complete applications online. The OMJ-Pickaway County website and the PCJFS website will be updated.

Ohio Department of Education and Ohio Department of Job and Family Services will be providing the Pandemic Electronic Benefit Transfer (P-EBT) program to receive Supplemental Nutrition Assistance Program (SNAP) benefits as a result of school closure. The amount of benefits is $5.70 per child for each school day the child is eligible for free or reduced-price meals between March 7, 2020 through May 29, 2020.

Mrs. Ewing reported that 212 families have received COVID-19 PRC funds. There are 10 pending applications, with availability for 28 more applications. For the week ending May 9th, the Ohio Department of Job and Family Services (ODJFS) reported 51,125 initial jobless claims to the U.S. Dept. of Labor. The number of initial jobless claims filed in Ohio over the last eight weeks (1,169,694 is more than the combined total of those filed during the last three years. Over the last eight weeks, ODJFS has distributed more than $2.4 billion in unemployment compensation payments to more than 587,000 claimants. Of the more than 1 million applications the agency has received, 90% have been processed, with on 10% pending.

In the Matter of
CDBG Public Hearing

Hannah Diewald, CDC of Ohio, opened the public meeting pertaining to the 2020 Community Development Block Grant Programs. Ms. Diewald described the qualifications for the CDBG Program with a review of low to moderate income areas. Projects which benefit a low to moderate income (LMI) population of at least 51% qualify for CDBG funding. Census data identifies Census Tracts, Block Groups and jurisdiction in the County as at least 51% LMI. Community income surveying may be required to qualify service areas. Elimination of slum blight activities in a defined area or specific instances of blight outside a defined area. Limited clientele activities benefit special population (ex. Senior citizens, homeless shelters, disabled adults). The different CDBG Programs available are Allocation, Neighborhood Revitalization, Downtown Revitalization, Critical Infrastructure, Residential Public Infrastructure Program, Economic Development Program and Fair Housing. The Allocation side has funding for up to $244,000 with a limit of four projects. The 20% administration fees will get paid from the total amount awarded. Ms. Diewald provided the Low-Moderate Income Summary Data for Ohio Non-Entitlement Counties and Places, along with Low-Moderate Income Census Tract and Block Group Data for Ohio Non-Entitlement Counties.

Brenda Palm, Circleville Township, asked the question if Logan Elm Village would be eligible? There seems to be a water problem on a dead-end street that intersects joining farmland. Commissioner Stewart explained that the project would have to be 51% LMI and Logan Elm Village is at 45.59% LMI.

Tom Spring, Circleville Township and Uptown Circleville, asked the question if a village or township is close to meeting LMI is there another approach to qualify? Commissioner Stewart and Ms. Diewald explained that a census study can be done to see if the area could potentially qualify. There is hope to apply for more eligible projects as we work with CDC of Ohio. Ms. Diewald explained that the more projects we know about, we will be able to apply for more specific projects.

Pre-qualification apps have been approved. Neighborhood Revitalization application submission is open. Richard Rhoades, Uptown Circleville, has concerns with the downtown area and what is available for funding. Ms. Diewald gave some insight on current changes to a program that can be used on downtown business building.

Ms. Diewald provided a listing of potential projects for the Allocation Program: Senior Center (Entrance Awnings $11,546), Haven House (Resurfacing parking area $77,645 or $119,936), Darbyville Paving (preparing paving estimates), Williamsport Critical Infrastructure 10% required match ($46,200), New Holland Critical Infrastructure 10% required match ($76,000). The remaining budget after committing to Williamsport and New Holland Critical Infrastructure Grants is $73,000. Critical Infrastructure grant are pending approval of Allocation Leverage. The pre-application has been approved by the Office of Community Development at the Ohio Development Services Agency. The Neighborhood Revitalization there is no matching funds requirement; however, there are rating points for leverage. The Village of New Holland is donating labor as leverage. The Village Administrator has been gathering contributing volunteer projects. Commissioner may consider using Allocation funds as leverage. The Neighborhood Revitalization budget is $700,000 with $50,000 going to pay administration fees.

The second Community Development Block Grant Program Public Hearing is scheduled for June 9, 2020 at 11:00 at the Commissioners’ Office. Applications are due June 17, 2020. Attendance sheet is on file at the Commissioners’ Office.
