In the Matter of
Nate Green, Montrose Development Advisors
Discussion of Prairie Acres LLC property:

Nate Green, Montrose Development Advisors, met with the Commissioners to discuss Prairie Acres LLC and their intentions to develop industrial buildings on 40.26 acres located on SR 752. Mr. Green started having discussions with Ashville about an abatement of 100% at 15 years. The Village of Ashville, Teays Valley Schools and Eastland-Fairfield Career Center agree to split all income tax generated from the project with 35% going to the schools and 65% going to the Village of Ashville. If the amount of income tax and PILOT is less than 40% of what Teays Valley would have received without the abatement, Prairie Acres will make up the difference. The PILOT will remain in place for the life of the tax abatement. The resolutions have been passed by the Village of Ashville and Teays Valley School District Board to follow through and show support of the abatement request. Teays Valley would get a PILOT payment for the land after buildings are constructed on the property. The property is general commercial, and enterprise zoned and the Village of Ashville should be able to handle the utilities since its power upgrade.
