In the Matter of Pickaway County Family & Children First Council:

Kim Martin, Family and Children First Council met with the Commissioners to discuss the Team for Youth Program. The program does not turn anyone away but are at their full capacity. Eligibility for aid and funding has not changed, and the funds still flow through County Auditor. Mrs. Martin is able to apply for gas cards for families to use to get to doctor appointments and that $10 gas card keeps the families coming back to follow up. Donations cannot be requested, therefore, council donations come from local donations from year to year. The cost for a yearly audit is running around $2,500 and that seems to be the average. Mrs. Martin requested the Commissioners to consider a commitment to cover the yearly audit cost. The council donations are not spent, only on the audit’s costs and t-shirt for human trafficking and Unity Day. They would like to be able to offer incentives that Juvenile Court could offer to juveniles that meet with Juvenile Court on a regular basis. Another option would be to change to a pulled fund account and no longer be a donation fund. This would allow for council to put in to pull funds form a multi-county fund and this could change that amount that could receive from the state. FCFC does not pay an administrator fee to Ty Ankrom and he considers it as his donation to council. Marie Wilbanks states that they need to find new avenues and strategies that will benefit the kids. Mrs. Martin thinks that there will be administrative funds coming in the future, however it does not make it the easiest for now. The money is to help empower parents through the process of raising their children instead of signing their rights over to the state. Commissioner Stewart expressed that the Commissioners will review the information and get back to Kim.

In the Matter of Pickaway County Sheriff’s Office:

Sheriff Robert Radcliff and Lt. Gabe Carpenter met with the Commissioner to review the 2019 Annual Jail Inspection Report from the Ohio Department of Rehabilitation and Corrections. The Pickaway County Jail is in compliance with 100 standards, 50 “Essential, and 50 “Important: and no compliance with 14 standards. 2 “Essential” and 12 “Important”. A plan of action was established and once completed will be submitted to Ohio Jail Management System within 45 days. Sheriff Radcliff informed the Commissioners that the two trucks for the jail have been ordered and two SUV’s will be ordered in 2020. The Commissioners approved for Sheriff Radcliff to submit the order for the two SUV’s.
In the Matter of
Weekly Dog Warden Report:

The weekly report for the Wright Poling/Pickaway County Dog Shelter was filed for week ending October 12, 2019.

A total of $3,316.16 was reported being collected as follows: $150 in adoption fees; $90 in dog licenses; $15 in dog license late penalty; $2,986.16 in private donations; and $75 in redemptions.

Four (4) stray dogs were processed in; five (5) dogs were adopted.
